Physical Level 2:

All our tours feature a physical rating to help you select the right holiday for you. To travel on any of our tours requires unaided mobility and the ability to stroll around the sights.

‘Myanmar Explorer’ is rated as a **physical level 2** tour. A reasonable level of fitness is required but it’s more about spending time on your feet rather than covering large distances. You’ll be getting on and off coaches and boats, walking around the sights and climbing some steps.

- On several days there will be sightseeing on foot for extended periods of time.
- At some of the sights visited there are a large number of steps to climb
- You will be required to get on and off varying sizes of boats often without assistance.

Of course, our National Escorts and local guides will always endeavour to provide the highest level of service and assistance; however, they cannot be expected to cater for customers who are unfit to complete the itinerary.

Country Profile: Myanmar

Myanmar is a spiritual country, largely unexplored by tourists until recently. It is known as the ‘Golden Land’ because of the countless number of pagodas and temples that dominate the landscape. In Myanmar, 89% of the population is devoutly Buddhist, which is reflected in their gentle and welcoming nature.

Itinerary – Myanmar Explorer

Day 1: Yangon

Fly to Myanmar and together with those arriving at a similar time you will be met by your guide or driver in the arrivals hall at Yangon airport to travel to your hotel for check in.

Destination Information

Yangon - With a population of over 5 million, Myanmar's former capital possesses a peaceful atmosphere with colonial boulevards and tranquil lakes. This charming city thrives by night with bustling streets filled with stalls selling everything from locally made handicrafts to fruit and cigars.

Day 2: Yangon

After breakfast, you will start your walking tour of Yangon at the Central Post Office, and then stroll down Strand Road and observe the locals going about their daily lives. Continue walking up Pansodan Street famous for some of Yangon's most impressive colonial architecture, before visiting City Hall and the High Court. Later explore Maha bandoola Garden and visit the National Museum, home to priceless ancient artefacts and Karaweik Hall before watching the sunset at the magnificent Shwedagon Pagoda located on top of Singuttara Hill, where many locals and Buddhists come to worship.

Destination Information

Strand Road and Pansodan Street – Many fine examples of British colonial architecture dating from the mid 1800's are located downtown. Pansodan Street intersects Strand Road, which runs parallel to Rangoon River and where Pansodan Jetty is located. This is a great opportunity to witness a hive of activity along the riverfront.

National Museum – Housing works of art and historic memorabilia. Here you will learn the history and tradition of Myanmar.

Shwedagon Pagoda - Located on top of Singuttara Hill, where many locals and Buddhists come to worship. Shwedagon Pagoda is thought to have been built between the 6th and 10th centuries; however it has been rebuilt many times. It is here that eight strands of Buddha's hair are said to be kept. The pagoda is covered in gold and contains diamonds, rubies and emeralds.

Day 3: Yangon – Bagan

This morning fly 1 hour and 10 minutes to Bagan where upon arrival you will start your sightseeing tour with a visit to the colourful Nyaung U Markets before exploring the pagodas of Htilominlo and Shwezigon and the Ananda Temple. Visit a Lacquer ware craftsmen's workshop and travel through the town of Phwar Saw Village to climb the 400 steps of Aureum Watchtower for a view of the setting sun.

Destination Information

Bagan - It is believed as many as 13,000 temples and stupas once stood in the area around Bagan; however, invasions, war and natural disasters have reduced most of these to rubble. Despite this, Bagan is home to more than 2,200 standing ancient temples and is Myanmar's greatest architectural site.

Shwezigon Pagoda - This beautiful pagoda was built by King Anawrahta in the 11th century to enshrine one of the four replicas of the Buddha's tooth found in Kandy, Sri Lanka. Today it is considered Bagan's main religious site rising from the earth in three separate terraces.

Htilominlo Pagoda - This pagoda built in 1218, marks the spot where King Nantaungmya was chosen to be the crown prince. Today it still has some of the original plaster and carved reliefs on display.

Day 4: Bagan

Today drive 2 hours to Mt. Popa and climb more than 750 steps to the nearby temple of Taung Kalat, set atop an extinct volcano and said to contain 37 spirits, also known as 'nats'. On your way back to Bagan, stop at a typical village and a toddy palm plantation to learn more about the local life. Once you've arrived in Bagan, ride a short boat along the Irrawaddy River and soak up the sunset.

Destination Information

Mt Popa - Formed by a volcano almost 250,000 years ago and a revered spiritual residence of the 37 'nats,' worshipped in Myanmar in unison with Buddhism. There are a number of statues and shrines that represent these spirits located along the mountain. Once you reach the top, the temple of Taung Kalat affords sweeping views of Myingyan Plain below.

Day 5: Bagan to Mandalay

Leave Bagan and fly 30 minutes to Mandalay this morning. Considered the epicentre of Myanmar culture, Mandalay's sites reflect this. Visit the Mahamuni Pagoda, Shwenandaw Monastery and Kuthodaw Pagoda. Transfer to the jetty after lunch for a boat ride across the Irrawaddy to Mingun on board a local boat. Return to the mainland and visit a traditional handloom silk workshop and Kalaga tapestries craftsmen's shop. Finish the day with a drive up Mandalay Hill in an open top vehicle for magnificent views from the 230m-high summit.

Destination Information

Mandalay - Is the second largest city and the last royal capital of the Burmese Kingdom. Located along the Irrawaddy River and centred around the Royal Palace, Mandalay is within easy distance to former colonial hill stations and ancient cities.

Mahamuni Pagoda - Enshrining the Mahamuni Buddha - a highly revered image in Myanmar. It is covered in thick layers of gold leaf applied by male devotees. As a result, this has started to distort its shape.

Shwenandaw Monastery - Once part of the royal complex of King Mindon, this building was dismantled and reassembled outside the palace walls in 1880. As luck would have this move ensured that it survived the WWII bombing campaign in Mandalay, where many other royal buildings perished.

Kuthodaw Pagoda - Famous for housing the world's largest book; separated into 15 volumes each page is inscribed in marble and housed in its own stupa.

Mingun - A riverside village home to many unique pagodas and the world's largest ringing bell, weighing over 87 tonnes.

Mandalay Hill - The highest point in Mandalay and an optimal spot to enjoy the panoramic views of the river, Shan hills and the city sprawl below

Day 6: Mandalay

This morning, visit Amarapura with its working monastery dating back to 1783. Travel to Sagaing this afternoon, a former Shan capital in the 14th century with many impressive stupas scattered on its hill, and the Tha Kya Di Kya nunnery. At sunset take a boat ride at the U Bein Bridge, the longest teakwood bridge in the world.

Destination Information

Tha Kya Di Kya – this nunnery is less well-known than the Mahagandyon monastery and therefore has fewer tourists and is an authentic insight into daily life for the nuns here.

U Bein Bridge - This teak wood bridge built 200 years ago spans 1.2km across the Taung Thaman Lake and is the longest teak bridge in the world.

Day 7: Mandalay – Inle Lake

This morning board your 30-minute flight to Heho, continue to Inle Lake where you will visit Shwe Yan Pyae Monastery. Begin your visit on the lake by long tail boat, seeing the floating gardens and Intha fisherman. Later visit Phaungdaw Oo Pagoda, one of Myanmar's most sacred shrines before admiring the collections of ancient Buddhas at Nga Phe Monastery. Finally visit the weaving village of Inpawkhon.

**Please be aware there is no shade on the boat trip on Inle Lake, so please bring a hat and wear sun protection.*

Destination Information

Inle Lake - Located 900m above sea level and approximately 22km long and 11km wide, this water paradise is inhabited by over 200 villages constructed on stilts. The lake is most famous for the extraordinary lives of the people who live on and around it, known as the 'Intha'.

Shwe Yan Pyae Monastery - Built in the 19th Century, this red painted teak monastery provides education and boarding for novice monks.

Phaungdaw Oo Pagoda – One of the most sacred shrines in Myanmar dating back to the 18th Century. Inside the tiered pagoda, devotees await an opportunity to place gold leaf on one of four ancient Buddha statues housed here.

Nga Phe Monastery - A beautiful collection of Buddha images depicted in the Shan, Tibetan, Bagan and Inwa styles are displayed inside the expansive wooden meditation hall.

Day 8: Inle Lake

Destination Information

Indein Pagoda Complex – One of the amazing historical sites in Inle Lake, where hundreds of small stupas decorated in sculptures of mythological animals and beings lay overgrown by moss and vegetation.

Day 9: Inle Lake - Yangon

This morning transfer to Heho airport for your flight to Yangon. Upon arrival transfer to the famous Bogyoke (Scott) Market (closed on Mondays and public holidays) which is great for shopping with hundreds of food, clothes, handicrafts and gems stores. Continue to Botataung Pagoda and Nanthida jetty to observe the daily life of the local people. In the evening, visit the busy area of Chinatown including a Chinese Temple and enjoy a farewell dinner.

Destination Information

Insurance

We strongly encourage all customers to take a copy of their travel insurance documents (especially relevant international contact numbers) with them while on tour. We advise that you check the inclusions and procedures for lodging claims prior to your departure. These documents should be stored separately from the originals.

Eating in Southeast Asia

Southeast Asia is home to an incredibly rich food history. The local cuisine is known for its intense flavours, spices and some of the freshest ingredients you can find. In general, meals include either rice or noodles and are packed full of flavour. Lemongrass, ginger, lime leaves, coriander, fish sauce and soy sauce are used in most local dishes. Whilst Southeast Asian food has a reputation for being hot and spicy, each region actually has its own distinct characteristics. Myanmar, for example, is perhaps best known for its fresh and aromatic dishes – such as the iconic tea leaf salad, and most Burmese dishes are a result of many regional influences, particularly from neighbouring China and India.

Your itinerary has been carefully crafted to introduce you to a range of local dishes and we hope that you enjoy the culinary adventure ahead. All meals (excluding drinks) are included in our fully inclusive group tours from dinner on the day of your groups' arrival until breakfast on your day of departure. When dining in Southeast Asia, although some restaurants have adopted a western approach to dining, expect some restaurants to follow the traditional communal style of eating. Typically, this will mean each diner has their own small bowl and may serve themselves from a variety of shared dishes. At some local restaurants, appetizers and main courses might be served when they are ready instead of following a particular order.

Determining when it's appropriate to use chopsticks, forks or spoons can be challenging for some travellers, even other Asians, as each country has different customs. In Myanmar and some other countries in Southeast Asia, fork and spoon are used, but chopsticks and Chinese-style spoons are usually provided to eat noodles and noodle salads. Typically, the Burmese eat most rice based dishes with their right hand and sit on a bamboo mat at a low table.

Please refer to your travel guide for more information on Southeast Asian cuisine, including information for travellers with restricted diets.

Accommodation

Your accommodation is selected for convenience of location, comfort or character, and can range from a business hotel in one city to a family run guesthouse in a smaller town. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Hotels are generally rated as local three to four-star standard, but please note that there is no international classification system for hotels and differences in facilities and quality do exist between Australia and Southeast Asia. All group tour hotels have private western bathroom facilities, air conditioning, TV and telephone. Plumbing and electricity supplies can be erratic and quite often the power in hotel rooms is turned off while guests are out of the room. If you experience any difficulty, please speak to your National Escort or Local Guide. Please note that double bed requests can be made at time of booking but can't be guaranteed.

Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs.

Solo travellers: If you are a solo traveller and willing to share a room, you will not have to pay a single supplement for any hotel rooms. Willing to share single travellers booking within 75 days of the first day of a group tour will be subject to availability. If no suitable match is available at time of booking you will be required to pay all single supplements.

Porterage

Please be aware that porterage is not included on our tours in Southeast Asia. You will therefore need to be able to handle your own luggage within the hotel and when using transportation like trains and coaches.

Transport

Coaches: Coaches with air conditioning are used on our group tours for city sightseeing, short excursions to the countryside and longer transfers where necessary. **However, mini buses may be used for smaller groups (under 10 passengers).** Roads in Southeast Asia have generally improved over recent years, but traffic and/or weather conditions may extend driving times. Road construction work usually covers an enormous section of road - not just 1 or 2 kilometres as you may be used to. For this reason, the timings listed in the itinerary are approximations only.

Seatbelts: Please note that seatbelts are not compulsory by law in Southeast Asia and therefore the local people largely choose not to wear them. For this reason, some vehicles may not be fitted with seatbelts or they may be hidden underneath protective seat covers. It is recommended that customers use seatbelts where available and remain seated while the vehicle is moving. If you have any concerns, please notify your National Escort/Local Guides.

Planes: Internal flights are based on economy class, with reputable airlines. Pre-flight seat allocation is not available on international and internal flight sectors.

Development in Southeast Asia

Although Southeast Asia is developing quickly, it still lacks the international standards of civil infrastructure and tourist facilities. Concepts of personal responsibility are also different to those in Australia. Consequently, tourist and public facilities may not uphold the same safety standards as in Australia; for example, you may see a hole in the road without a warning sign or safety barricade. All of our suppliers meet local safety standards as a minimum. We want you to have an enjoyable holiday so we ask that you take extra care, use your common sense, refer to notices and follow advice from your National Escort or Local Guides.

Myanmar Public Holidays

If you are travelling within the below Myanmar Public Holidays please note that celebrations can last a couple of days and during these times some businesses will be closed and coach, air and train travel may be affected. Tourist attractions will be open but may be crowded. Water Festival is celebrated between 13th – 16th April. Myanmar New Year Holiday is between 17th - 20th April 2020.

Souvenirs

We want to be able to give you an opportunity to buy souvenirs, so we include some stops at museums or exhibitions which demonstrates a craft or product unique to that region with pieces available to buy. We understand that souvenir hunting is not for everyone, so we aim to take you to places, which hold local interest. We trust you will enjoy these opportunities to learn about local arts and crafts and understand their historical and cultural importance.

Group Size

Most of our groups consist of 10 travellers or more and will be accompanied by a national escort. There will usually be no more than 28 travellers in each group although you may encounter other Wendy Wu tour groups while you are travelling.

All our departures are guaranteed to operate with a minimum of 8 travellers booked (unless cancelled due to factors beyond our control). However, at our discretion we may operate departures with a smaller group size as we try to operate advertised departures wherever it is viable to do so. For groups with fewer than 10 travellers, departures will operate with Local Guides instead of a National Escort.

Tipping Policy

Local tipping is customary in Asia. However, this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, with years of experiences in providing the best customer service, Wendy Wu Tours operates a kitty system on our Group Tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each Group Tour page will be advised again on your final documentation. Tipping is in US Dollars and will be collected by your National Escort on arrival and distributed throughout the tour on your behalf. Any additional tipping on any of our tours is welcomed at your discretion. Further guidance for tipping contributions will be outlined in your final documentation.

We generally find that most customers appreciate the convenience of our tipping policy, but we do recognize that it may not suit everyone. However, as this is a group tour we ask that everyone follows the same protocol to be fair to other group members and to ensure smooth operation of your tour.

Packing List & Climate

You will find a complete packing list and a helpful climate chart in the 'Suggested Packing List', which will be included in the pre-departure information link sent within your deposit documentation. Seasonal weather patterns can be quite unpredictable. Up to the minute information on worldwide weather can be found on www.weather.com

Luggage

All travelers are limited to two items of luggage each; a suitcase with a maximum weight of 20kg and one piece of hand luggage with a maximum weight of 5kg. It is essential that your luggage is lockable.

Exchanging Cash

The local currency in Myanmar is the Kyat (MMK), however you cannot buy this in Australia. As US Dollars are the preferred currency to exchange in Myanmar, it is suggested that customers obtain US Dollars before travel and exchange their US Dollars into Myanmar Kyat once arrived in country. This is because The Central Bank of Myanmar has withdrawn all foreign currency exchange licenses for business including hotels, restaurants, airlines and souvenir shops may only accept local currency.

Tourists can also withdraw local currency at any ATM's with their credit card, however these may be limited in availability outside the major cities. We suggest you bring enough US Dollars in cash to exchange to last the duration of your trip. For your convenience, please ensure that US Dollars are from the new series (2003 onwards), and in good condition to avoid any difficulties exchanging money during your trip. Old series notes can be difficult to exchange.

It is highly recommended that extra care and attention is paid when exchanging money. For your convenience, please ensure that US Dollars should be from the new series from the year 2003 onwards and in good condition to avoid any difficulties exchange money during your trip. We suggest exchanging your money before travelling to remote areas and smaller towns, as exchange facilities can be limited in these areas. Your National Escort will remind you to do this before departure.

Personal Expenses & Optional Tours

Personal Expense - You will need to take some extra money to cover drinks, laundry and souvenirs, plus any additional sightseeing that may be offered to you. Based on the advice of previous customers an approximate amount of AU\$250.00 per person, per week should be sufficient; however, for those that can't resist a bargain or may wish to participate in all of the optional excursions, consider allocating a higher amount.

Optional tours may be offered in each city you visit during your tour at an additional cost. These are not included in the standard itinerary and will only be available if time permits. Each option will be arranged locally by your National Escort/Local Guide.

Climbing Steps

Sightseeing at nearly all of the palaces, fortresses and some temples involves climbing quite a number of steps. These palaces were built to provide defense against potential invaders so nearly all of them stand on top of a hill, while the interiors have layers of narrow hallways and steps to slow down the advance of enemies once they were inside. The steps tend to be quite large, not level and sometimes without handrails. Hindu and Buddhist temples or pagodas also tend to be built at an elevation, as this is the most auspicious position according to ancient beliefs. This means you sometimes need to walk from the bus park to the entrance, and/or need to climb some steps inside.

People with knee or hip injuries, who have poor balance or are otherwise unable to complete these activities independently should consider the suitability of this itinerary carefully.

Cultural Difference

Myanmar is predominantly Buddhist; however, it is a nation with many cultures and histories. Please be considerate of the local beliefs and customs and dress with consideration.

Appropriate Dress

When visiting temples or mosques, both men and women should dress in conservative, non-revealing clothing. Full-length trousers with a shirt or t-shirt for men; and pants or skirts well below the knee with a top that covers the shoulders and upper arms for women. Women might also consider carrying a 'modesty shawl' in their daypack – this could be a sarong or light scarf – which they can wear over their shoulders and heads to feel more comfortable while sightseeing at mosques.

Religious sites and homes throughout Southeast Asia – for Hindus, Muslims or Buddhists to name a few – require all visitors to remove their shoes to enter. Even if you then need to walk outdoors, over hot or rough ground, you will not be allowed to wear shoes. You will often find shoe storage rooms near the entrance of a site where it is customary to leave your shoes near the entrance. Occasionally there are 'shoe minders' who will offer to keep your shoes safe for a 'tip' – this is not compulsory, so each customer can choose to tip for this service or not. If you do not want to remove your shoes, you will have to remain outside.

We recommend shoes that easily slip on and off and carry a pair of thick socks in your daypack, which you can wear to protect your feet from any rough or hot surfaces. The following itinerary will indicate when you need to consider this.

Vaccinations & Your Health

We recommend that you contact either your GP or Travelvax (1300 360 164) for advice on vaccinations and travel health. Travelvax has a comprehensive website that you may also find useful www.travelvax.com.au

Before You Leave

We strongly recommend registering your travel plans with www.smartraveller.gov.au as in the event of an emergency, Australian Consular assistance will be more readily available. You can also access the Australian Government's travel advisory service for up to date information about your destination on the same website.

After Your Booking

Once you have booked with Wendy Wu Tours, you will receive a confirmation invoice, which includes a link to our Visas, Passports and Health page. Here you will find the applicable visa application form, and a help sheet (if required) . Your final documentation pack will be sent to you approximately 2-3 weeks prior to departure.
